

SCIRA USA — Borrowed Boat Insurance Program

SCIRA USA carries an insurance policy that allows borrowed boats to be insured. This program is a valuable member benefit available to all members and registered boats. To use the program, the borrower logs into www.SCIRAUSA.com Donations tab, and pays the \$40 fee. The regatta organizer collects a check for \$250 payable to SCIRA USA to cover the insurance deductible, if applicable. To participate:

1. At registration,

Collect the borrowed boat fee of \$40, online. Also, collect a check paid to SCIRA USA for the \$250 insurance deductible.

2. After the event,

Inspect the boat for damage.

3. If there is no damage:

Return the damage deposit to borrower.

4. If there is damage estimated to be \$250 or less:

Help the borrower and owner come to an agreement on resolving the damage. Write down the resolution. Return the damage deposit to borrower, as they will pay directly for the repairs.

5. If there is damage estimated to be greater than \$250:

Take photographs and prepare a written description of the damage and the circumstances that caused the damage. Contact SCIRA USA (619-255-0083, Danielle) for a claim form. Submit the completed claim form, photographs and the \$250 damage deposit check (payable to SCIRA USA) to the SCIRA USA office (2812 Canon Street, San Diego, CA 92106).
